Final Continuing Education Approvals

The following sheets provide a chronological listing of the Annual Meeting Program indicating the sessions for which CE is available. All sessions that are approved for credit are approved for CME, CNE and CHES.

Questions: Go to the CE Booth in the PCC Registration Area during the meeting or contact Annette Ferebee at annette.ferebee@apha.org after the meeting. Instructions to obtain CME, CNE and CHES credits can be found on the back of this document.

Instructions to Obtain CME, CNE or CHES Credits

1. Identify sessions to be evaluated by the 4digit number
2. Log onto www.dspesg.com/apha
3. Enter your badge number and last name to login, then select your profession
4. Follow screen prompts to evaluate each session attended. HIT SUBMIT to record your evaluation and credits.
5. Repeat the process until you have completed ALL evaluations for sessions attended, then HIT FINISH (lower left corner of CE Summary Screen) to lock your records and generate your certificate online. Once locked, you will not be able to make changes to your records.
6. Once FINISHED, the screen will ask which certificate you want. You must first CHECK the box next to the certificate to either print or email the certificate.
7. After checking the box next to the certificate, ENTER YOUR EMAIL ADDRESS AND CLICK the "Email Certificate (PDF)" button.
8. You will see a screen that says that a certificate has been sent to your email, which completes the process.
9. The online evaluation system will be open to submit evaluations until DECEMBER 18, 2009 and can be accessed from any computer with internet access.
10. For assistance, click on the "Contact Us" navigation button, input your information and click enter. An online support person will respond during business hours Mon- Fri.

NOTE: CE Certificates will not be generated without completed evaluations.
