Dear ICEHS Members and Guests,

The cost of this dinner, its awards, and associated expenses are more than the minimum requested amount of \$55.00. Through a generous donation from MAKE ROADS SAFE - The Campaign for Global Road Safety we have been able to reduce the tickets to such a price. We have also received donations from individuals to create free or subsidized student tickets and are grateful that we will be able to offer them to Injury's next generation.

I am asking you to consider making a donation to this event and the section by increasing the amount of your check from the minimum to a level that is comfortable for you. If we are fortunate enough to garner any excess funds these will be put into the section's account for next year's membership, mentoring, annual meeting, and approved activities.

Thank you for your consideration. We're looking forward to a splendid dinner in Philadelphia!
