- American Society of Account Executives
 - Effective Board Management

An aerial photograph of a coastline. The ocean is a deep blue-green, with white-capped waves breaking along the shore. A massive, dark, billowing plume of smoke or ash rises from the water, extending into the sky. The sky is a clear, pale blue. The land is visible as a narrow strip of light brown and tan, with some green vegetation. The overall scene suggests a powerful natural event, such as a volcanic eruption or a large-scale fire.

“In that field of possibility
we have the opportunity to
labor for freedom, to
demand of ourselves and
our comrades, an openness
of mind and heart that
allows us to face reality
even as we collectively
imagine ways to move
beyond boundaries, to
transgress.”
