

Climate Changes Children's Health: Protecting our Future

#ClimateChangesHealth
apha.org/climate

Year of Climate Change and Health Webinar Series

Welcome

Olubukolami "Mimi" Musa, MPH
Program Associate
Center for Public Health Policy
American Public Health Association

Welcome

Year of Climate Change and Health

GOALS:

1. **Raise awareness** by educating members that climate change is a public health issue and not just an EH or environmental issue.
2. **Mobilize leaders** that are interested in climate change but have not started to take action

MONTHLY THEMES:

January	Kick Off
February	Climate Justice & Health
March	Clean Energy
April	Transportation & Healthy Community Design
May	Air Quality, Lung and Heart Health
June	Mental Wellness and Resilience
July	Agriculture and Food Safety & Security
August	Water Quality
September	Extreme Weather
October	Vulnerable Populations, Focus on Children
November	Tribal and Indigenous Health
December	Co-Benefits
