Give Back at APHA 2019

Join APHA’s effort to give back to our host city. Make a real impact in Philly by giving generously to Turning Points for Children in one of three ways:

1. Log back in and donate to help us reach our goal to give $10,000. So far, we’ve raised $3,400!

2. Log back in and sign up to volunteer for one hour at the convention center on Sunday, Nov. 2. Activities will focus on the Brighter Holidays Giving Drive project that collects, wraps and distributes 6,000 gifts around Philadelphia.

3. Bring a toy to the volunteer event to be wrapped and donated. No sign up required.
