

**Occupational Health & Safety Section
American Public Health Association**

James P. Keogh Memorial Scholarship Fund, 2018

STUDENT APPLICATION

The Occupational Health and Safety Section will be awarding scholarships that include registration for the 2018 APHA Annual Meeting (Nov. 10-14 in San Diego), a one-year APHA membership, and a \$300 stipend for conference expenses. We hope to strengthen the participation of students, worker organization and union representatives in our section at APHA. We recognize that we need the involvement of workers and new health & safety professionals to make our workplaces and communities healthy and safe.

AWARD:

The Section will directly pay the Annual Meeting fee, a ticket to the Section luncheon at the Annual Meeting, and a one-year student membership to APHA with primary membership in the Occupational Health & Safety Section. Each awardee will then receive \$300 that can be used to cover transportation, lodging and meals. Awardees will be responsible for providing the remainder of funds necessary to cover these expenses.

STUDENT ELIGIBILITY REQUIREMENTS:

Student applicants should be enrolled in a graduate-level program that can lead to work in the occupational health & safety field (i.e.: medicine, nursing, public health, toxicology, law, industrial hygiene, safety, ergonomics, and epidemiology).

Eligible applicants MUST be students at the time of the Annual Meeting and must be able to attend the Annual Meeting in San Diego.

Please submit your application electronically by Friday, July 13, 2018 to:

Carli Richie-Zavaleta at: arichiezavaleta@gmail.com
