PUBLIC HEALTH EDUCATION AND HEALTH PROMOTION SECTION

Consider the Nominee for the Following Award (Select One)

Current PHEHP Section Members Eligible

- ☐ **Distinguished Career Award** - Outstanding contributions to the profession; twenty years or more of professional practice.
- ☐ **Early Career Award** - Outstanding and promising contributions to the practice and profession; ten years or less of professional practice
- ☐ **Sarah Mazelis Award** - Outstanding performance by a practitioner

Current PHEHP Section and/or APHA Members Eligible

- ☐ **Mayhew Derryberry Award** - Outstanding contribution to research or theory in the behavioral sciences
- ☐ **Hod Ogden Award for Use of Humor** - Outstanding use of humor to promote better professional practice
- ☐ **Everett M. Rogers Award** - Outstanding contribution to advancing the study and/or practice of public health communication.
- ☐ **Health Equity Award** - Outstanding contribution to reducing health disparities and inequities through public health education and health communication

Please provide information on the following criteria about your candidate (attach additional pages as needed):

- The nominee's relevant contributions to the profession (focusing on the criteria for the specific award)
- The depth, breadth and diversity of the professional accomplishments relevant to the particular award being sought.
- Any additional information about the nominee for the Awards Committee to consider.
