APHA
AMERICAN PUBLIC HEALTH ASSOCIATION
For science. For action. For health.

As a leader in public health for nearly 150 years, APHA is the place to be to reach new audiences and garner goodwill as we work together to ensure a healthier future for all.

Our Company & Consultant Membership is designed for you.

That's right — the benefits of APHA membership aren't just for individuals and nonprofits.

Academic institutions, government agencies and nonprofit organizations qualify for our Nonprofit Agency Membership.

As a Company & Consultant Member, you get access to a large and growing pool of job-seeking professionals, big discounts on advertising and savings on exhibiting at APHA's Annual Meeting and Expo, the world's largest gathering of public health practitioners. Plus, your employees can join or renew as individual APHA members at the discounted rate of just \$145.

As a member of APHA — the nation's leading public health association — you'll join a global network of more than 25,000 public health professionals working in academia, advocacy, research, medicine and on the front lines of community health.

If you specialize in products and services focused on public health and health professions — or if you're hoping to expand your reach to those audiences — APHA membership offers new opportunities for engagement, networking and professional development. Plus, with access to our award-winning journal and newspaper, you'll be the first to learn about cutting-edge trends in public health research, science and innovation.

As a Company & Consultant Member, you benefit from access to the top decision makers and the latest research and news in the field.

WHAT DOES IT COST?

APHA membership dues vary depending on the size of your organization:

ORGANIZATION SIZE	ANNUAL DUES

VISION

Create the healthiest nation in one generation

MISSION

Improve the health of the public and achieve equity in health status

The American Public Health Association champions the health of all people and all communities. We strengthen the public health profession. We speak out for public health issues and policies backed by science. We are the only organization that influences federal policy, has a nearly 150-year perspective and brings together members from all fields of public health. APHA publishes the *American Journal of Public Health* and *The Nation's Health* newspaper. At our Annual Meeting and Expo, thousands of people share the latest public health research. We lead public awareness campaigns such as Get Ready and National Public Health Week. Together, we are creating the healthiest nation in one generation. Learn more at www.apha.org.
