Climate Changes Health: The Breath and Heart of It All

Year of Climate Change and Health Webinar Series
Welcome

Natasha DeJarnett, PhD, MPH
Policy Analyst – Environmental Health
Center for Public Health Policy
American Public Health Association
Welcome

Year of Climate Change and Health

GOALS:

1. **Raise awareness** by educating members that climate change is a public health issue and not just an EH or environmental issue.

2. **Mobilize leaders** that are interested in climate change but have not started to take action.

### MONTHLY THEMES:

<table>
<thead>
<tr>
<th>Month</th>
<th>Theme</th>
</tr>
</thead>
<tbody>
<tr>
