Our Tasks

- **Put racism on the agenda**
  - Name racism as a force determining the distribution of other social determinants of health
  - Routinely monitor for differential exposures and opportunities, as well as outcomes, by “race”
Our Tasks

- Ask, “How is racism operating here?”
  - Identify mechanisms in structures, policies, practices, norms, and values
  - Attend to both what exists and what is lacking
Our Tasks

- Organize and strategize to act
  - Join in grassroots organizing around the conditions of people’s lives
  - Identify the structural factors creating and perpetuating those conditions
  - Link with similar efforts across the country and around the world
