

Our Tasks

❑ Put racism on the agenda

- Name racism as a force determining the distribution of other social determinants of health
- Routinely monitor for differential exposures and opportunities, as well as outcomes, by “race”

Our Tasks

- ❑ **Ask, “How is racism operating here?”**
 - Identify mechanisms in structures, policies, practices, norms, and values
 - Attend to both what exists and what is lacking

Our Tasks

- ❑ **Organize and strategize to act**
 - Join in grassroots organizing around the conditions of people's lives
 - Identify the structural factors creating and perpetuating those conditions
 - Link with similar efforts across the country and around the world
