

But How do Disparities Arise?

But How do Disparities Arise?

- ❑ Differences in the quality of care received within the health care system
- ❑ Differences in access to health care, including preventive and curative services
- ❑ Differences in life opportunities, exposures, and stresses that result in differences in underlying health status

Addressing the
social determinants of equity:

Why are there differences
in resources
along the cliff face?

Why are there differences
in who is found
at different parts of the cliff?
