Center for School, Health and Education

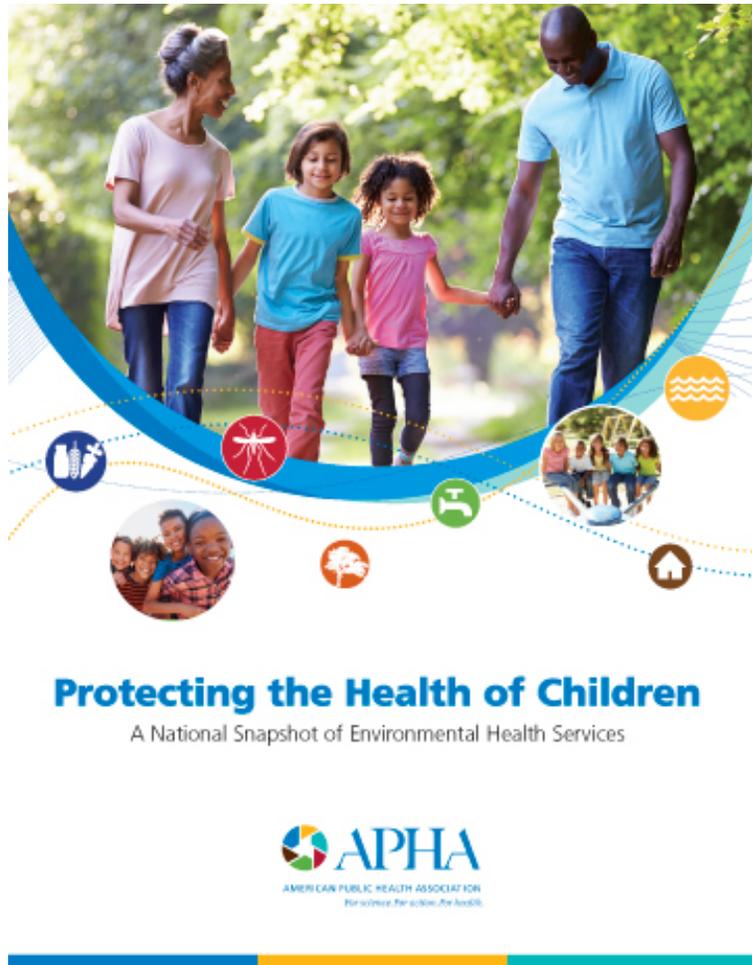

American Public Health Association

AMERICAN PUBLIC HEALTH ASSOCIATION

For science. For action. For health.

New APHA Resource

- **Part I:** Results of our national scan of state departments of health and environmental quality websites to assess availability of services.
- **Part II:** Community profiles compiled from in-person conversations and telephone interviews in Flint, Michigan, and Washington, D.C.
- **Part III:** Recommendations, next steps and conclusion.
